Birthday Month Review

Reminder: We will **no longer be sending out routine letters or blood test forms** to invite patients to attend their ANNUAL CHRONIC DISEASE REVIEWS.

Please remember to book your review **IN THE MONTH OF YOUR BIRTHDAY** regardless of when you last had your check up AND arrange to collect your blood form from reception.

This will make it easier for you to remember and will help us by spreading the demand for nurse appointments across the year.

Nurse Led Same day Advice /Assessment

We are anticipating that sometime in the month of July a new nurse practitioner will run the drop in clinic & telephone advice service – freeing up GPs for more routine clinic appointments.

75 and over?

You will shortly be notified of your “named GP” who will be responsible for coordinating your care. Don’t panic you can still seek advice or an appointment from ANY GP OF YOUR CHOICE at the surgery.

Are your contact details up to date?

Please ensure your details (address, home/mobile numbers and email) are up to date either via the website or at reception.
